Photo / Media Consent

Your choice about photos and video of your child. Complete one for each athlete. You can change your mind at any time.

Wasatch Sports Academy (WSA) takes team photos and short videos at practices, games, and events. This form records whether WSA may use images of your child. If you want to allow promotional uses (such as paid ads or press), also complete the Media Release Form. If the two forms ever differ, WSA follows the more restrictive choice. How WSA takes, stores, and posts images is described in the WSA Media Policy.

1. Athlete

Athlete's full name _____ Date of birth _____ Parent / guardian name _____

2. My choice (check one)

☐ OPT IN — Yes. WSA may take and use photos and video of my child for team and program communication: team pages on the WSA website and Portal, WSA's own social media accounts, and family newsletters.

☐ OPT OUT — No. Please do not use my child's image. WSA may still include my child in internal, non-public records (for example a private roster photo for coach identification) but will not post or publish it.

3. Rules WSA follows for every image

- No full names with images. WSA uses first name only, or no name. WSA does not tag children, and does not post a child's school, home address, or real-time location.
- Images are taken only in public view and never in restrooms, locker rooms, or changing areas.
- Images are stored on WSA-controlled accounts and devices, not on personal social media.
- No payment is given for use of images.

4. Revocable at any time

I may revoke or change this consent at any time by updating it in the Portal or writing to team@wsautah.com. WSA will stop new uses and remove my child's images from WSA-controlled websites and social media within 5 business days. WSA cannot recall printed materials already distributed or control copies made by others before removal.
